geomat core (raw material: PP) and two geotextile filter layers (raw material: PP)
used for the functions: S + F + D

placed on the market by

TEMA Technologies and Materials S.r.L.

Via dell'Industria, 21
31029 Vittorio Veneto (TV)
Italy

and produced in the factory

Vittorio Veneto

are submitted by the manufacturer to the initial type-testing of the products, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1213 - SKZ – TeConA GmbH, Würzburg, Germany - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13252:2000/A1:2005

were applied.

This certificate was first issued on 2006-06-21 and remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
