## EC Certificate of Factory Production Control 1213–CPD–4993

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction products

### **Tefond T Evolution 130**

Geospacer and Polymeric geosynthetic barrier,  
(raw material: FPO)  
used for the functions: D + B

### **Tefond T Evolution 130 Drain**

Drainage geocomposite, geospacer which acts as a polymeric geosynthetic barrier (raw material: FPO)  
and a geotextile filter layer (raw material: PP)  
used for the functions: F + S + D + B

### **Tefond T Evolution 130 Hyperdrain**

Drainage geocomposite, geomat core (raw material: PP) and two geotextile filter layers (raw material: PP) combined with  
a geospacer which acts as a polymeric geosynthetic barrier (raw material: FPO)  
used for the functions: F + S + D + B

placed on the market by

### **TEMA Technologies and Materials S.r.L.**

Via dell'Industria, 21  
31029 Vittorio Veneto (TV)  
Italy

and produced in the factory

### **Vittorio Veneto**

are submitted by the manufacturer to the initial type-testing of the products, a factory production control (FPC) and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1213 - SKZ – TeConA GmbH, Würzburg, Germany - has performed the initial inspection of the factory and of the FPC and performs the continuous surveillance, assessment and approval of the FPC.

This certificate attests that all provisions concerning the attestation of FPC described in Annex ZA of the standards

### **EN 13252:2000/A1:2005; EN 13491:2004/A1:2006**

were applied.

This certificate was first issued on 2011-03-30 and remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
